

Looking for something **fun**, **exciting** and **free**
for the **whole family** this summer?
Why not join...

IRCOM's 7th Annual Family-to-Family Program

IRCOM's Family-to-Family program matches established Canadian families with immigrant and refugee newcomer families living at IRCOM House for summer outings and fun. This year the program runs from **May 27 - August 16**.

Make **new friends**, **show off Winnipeg** and **help newcomers feel more at home** in our great city!

Family pairs meet 3 –4 times independently through the summer to do fun things like go to the beach together or have a barbecue. All participants are offered exceptional support throughout the program including:

- *Cross-cultural training with child-minding
- *Well organized fun kick-off to 'break the ice'
- *Mid-point group check-in to ensure all is going well
- *Reimbursement for outing costs (up to \$50 per family)
- *A fabulous wrap up celebration
- *One-on-one support as needed

All families are warmly encouraged to apply, especially those with young children!
